## UNLOCK A WHOLE NEW WORLD OF LEARNING!

Young people learn in many different ways. The emotional rush of a live performance could be the key to unlocking a world of learning. With generous support from Mortellaro McDonald's, The Licking County Foundation and many other organizations, The Midland Theatre is thrilled to provide this experience for thousands of students each year.

Sharing the magic of the performing arts with your students, this series explores concepts like sequencing, retelling and comparing different versions of the same story. Beyond the academic merits, a field trip to The Midland may be a child's only chance to see a live show in a beautiful historic theatre. At just \$5 per person, the value is undeniable. All performances are 45-60 minutes.

### THE LEGEND OF SLEEPY HOLLOW

October 13, 2016 9:30am & 12:30pm | Grades 4-6

Our hilarious version of this literary classic returns just in time for fall. Join bumbling Ichabod Crane, beautiful Katrina Van Tassel and bullying Brom Bones as they bring to life this Washington Irving classic. Your young audience will love seeing fellow volunteers and one unsuspecting teacher join the actors on-stage for an impromptu Sleepy Hollow Choir practice. *Study guide available online at [www.midlandtheatre.org/yellowbus.html](http://www.midlandtheatre.org/yellowbus.html)*

### BLACK HISTORY HEROES, SOLDIERS AND SPIES

February 7, 2017 9:30am & 12:30pm | Grades 4-6

We've created a new show that celebrates some of the many stories of Black American heroes. In this production, audiences will have an opportunity to experience the work of the Buffalo Soldiers, as they explore and settle the American West. Students will also join the Tuskegee Airmen as they take flight to help win WWII and many other unique and exciting stories from Black History. *Study guide available online at [www.midlandtheatre.org/yellowbus.html](http://www.midlandtheatre.org/yellowbus.html)*

### GUS GOES GREEN

March 15, 2017 9:30am & 12:30pm | Grades K-3

Gus, our giant dog puppet, leads your audience on a STEM-inspired adventure around the globe. He uses clever resources to find creative solutions for a thirsty man in the desert, a wacky inventor, a toy maker and one very funny bug. Audience volunteers join Gus on stage to engineer a device for gathering water, build a unique toy from recycled materials and more! *Study guide available online at [www.midlandtheatre.org/yellowbus.html](http://www.midlandtheatre.org/yellowbus.html)*

Thanks to the support from great organizations such as Mortellaro McDonalds, The Ohio Arts Council, The Licking County Foundation, The Limited, Kohl's Cares and Mary E. Babcock Foundation, we are able to provide some financial assistance to help offset the cost of attending these special performances. Funding is limited, and The Midland Theatre may not be able to accommodate all financial needs, so prompt response is of the utmost importance.
