

## UNLOCK A WHOLE NEW WORLD OF LEARNING!

Young people learn in many different ways. The emotional rush of a live performance could be the key to unlocking a world of learning. With generous support from Mortellaro McDonald's, The Licking County Foundation and many other organizations, The Midland Theatre is thrilled to provide this experience for thousands of students each year.

Sharing the magic of the performing arts with your students, this series explores concepts like sequencing, retelling and comparing different versions of the same story. Beyond the academic merits, a field trip to The Midland may be a child's only chance to see a live show in a beautiful historic theatre. At just \$5 per person, the value is undeniable. All performances are 45–60 minutes.
