

UNLOCK A WHOLE NEW WORLD OF LEARNING!

Young people learn in many different ways. The emotional rush of a theatre performance could be the key to unlocking a world of learning. With generous support from Mortellaro McDonald's, The Licking County Foundation and many other organizations, The Midland Theatre is thrilled to provide this experience for thousands of students at no cost this year.

Sharing the magic of the performing arts with your students is important to all of us and allows us to continue our mission of ENRICHING THE LIVES OF AUDIENCES TODAY AND TOMORROW! All Yellow Bus performances are 45–60 minutes.

BUILD YOUR OWN LUNAR LANDER WITH JANET'S PLANETS! Janet will explain the Apollo Lunar Landers and the different design proposals that NASA is currently considering for the human landing systems that will take the first woman and the next man back to the Moon and one day onto Mars. We'll go through each step together so that students get the hands-on experience of the design process and learn about careers as NASA and commercial space engineers and designers. We'll also talk about the space industry so they can consider it as a future career.

JANET'S PLANETS SHOW SELECTION

Grades K-3 March 10, 2021 9:30 am Zoom

Grades 4-6 March 11, 2021 9:30 am Zoom

ZOOM RESERVATIONS

To reserve your spot, complete all sections. Space is limited and reservations are processed in the order they are received. Each class will receive the Zoom link when registration is received.

Separate registrations are required for each class.
