

## UNLOCK A WHOLE NEW WORLD OF LEARNING!

Young people learn in many different ways. The emotional rush of a theatre performance could be the key to unlocking a world of learning. With generous support from Mortellaro McDonald's, The Licking County Foundation and many other organizations, The Midland Theatre is thrilled to provide this experience for thousands of students at no cost this year. Sharing the magic of the performing arts with your students is important to all of us and allows us to continue our mission of ENRICHING THE LIVES OF AUDIENCES TODAY AND TOMORROW! All Yellow Bus performances are 45–60 minutes.

### **Once Upon a STEM with The Works: Ohio Center for History, Art & Technology**

Once Upon a STEM invites students to discover the surprising connections between fairy tales and science. Explore the wonders of dragon's breath, uncover the physics behind Humpty Dumpty's great fall, and delve into the magical worlds of your favorite stories—all through the lens of science, technology, engineering, and math.
